We Are Loved By An Unending Love

We are loved by an unending love.
 We are embraced by arms that find us
 even when we are hidden from ourselves.
 We are touched by fingers that soothe us
 even when we are too proud for soothing.
 We are counseled by voices that guide us
 even when we are too embittered to hear.
 We are loved by an unending love.
 We are supported by hands that uplift us
 even in the midst of a fall.

We are urged on by eyes that meet us
 even when we are too weak for meeting.
 We are loved by an unending love.
 Embraced, touched, soothed, and counseled,
 Ours are the arms, the fingers, the voices;
 Ours are the hands, the eyes, the smiles;
 We are loved by an unending love.

*stand if you are able

The only way to own and claim love as our identity is to fall in love with love itself, to feel affection for our longing, to value our yearning, treasure our wanting, embrace our incompleteness and be overwhelmed by the beauty of our need... love invites response, needs response... love responding to love is the ground of all creation. **Gerald May**
The Awakened Heart

The wilderness is not just a desert through which we wandered for forty years. It is a way of being. A place that demands being open to the flow of life around you. A place that demands being honest with yourself without regard to the cost in personal anxiety. A place that demands being present with all of yourself.
Rabbi Lawrence Kushner

Mystical vision is seeing how extraordinary the ordinary is.

The world is pregnant with God.
Hildegard of Bingen

Boiling water
Toasting bread
Buttering the sky
That should be enough contact
With God in one day
To make anyone
